

# LEUPOLD WARRANTY INFORMATION

Different products are covered by different warranties. Please refer to the product warranty information below to find which warranty covers your product.

## Leupold Full Lifetime Guarantee

If your Leupold riflescope, binocular, or spotting scope doesn't perform, we will repair or replace it for free - whether you're the original owner or not. You don't need proof of ownership or a warranty card, and there's no time limit. We do this because we believe in superior quality and craftsmanship, and we're confident your Leupold won't let you down.

## Leupold Electronics Limited Two-Year Warranty

Leupold electronic products which include rangefinders, thermal products, and other electronic devices are warranted against defects in materials and workmanship for two-years from the date of purchase. If the product is found to be defective, we will repair or replace it free of charge, within that two-year period. Proof of purchase may be required to verify warranty.

## Warranty Exclusions

These warranties do not apply if the product has been modified, misused or has been damaged by accident, abuse, or misapplication. To ensure this doesn't happen to you, contact NIOA's Leupold Service Centre before having any work or repairs done to your Leupold optics. PH (07) 3621 9999 or email: [leupold@nioa.com.au](mailto:leupold@nioa.com.au)
